GOING WITH YOUR CAR / UBER AND OTHER WAYS

To reach Casa Siloé it is necessary to put in your GPS "Casa Siloé Vinhedo". Apparently there is another one in Valinhos, and this can cause some confusion.

FROM USP

The bus will be parked at the information station near concierge at USP gate 1 (P1).

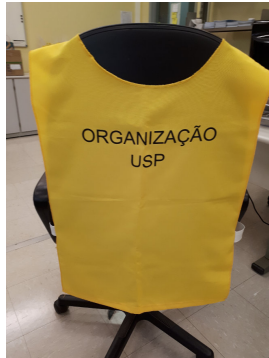

How to reach there: <https://goo.gl/maps/zVqj3DJ7BiQ2>

FROM GRU

The bus will depart from TERMINAL 3 (International), ground floor (street level) from the third platform just outside the building. We will have IAG staff there (Terminal 3), with

YELLOW VEST and HODLING A SYMPOSIUM SIGN, they are there to help you find the transportation.

The yellow vests are like this and the logo of the board is like this:

If you arrive at TERMINAL 3:

- (1) Take a sharp turn to your right after leaving the passenger area and avoid the crowd.
- (2) Take a few steps to the "Meeting Point" area. Leave the building and cross two pedestrians "zebra crossings".
- (3) The PickUp point is on the third sidewalk (island), just to the right of the zebra crossing.

If you arrive at TERMINAL 2:

- (1) Go to Terminal 3 (International Arrivals). This is done via level 1. It's a 15 min walk, good to stretch your legs after a long flight.
- (2) At Terminal 3, go down to ground level (street level) and find the "Meeting Point" next to the passenger exit. Follow the instruction above.

If you arrive at TERMINAL 1:

- (1) It will be necessary to take the transportation from the airport to TERMINAL 3, then follow the terminal (3) instruction.

Starting from VCP

For VCP airport everything should work much like GRU. Passengers should wait outside the terminal in the landing area. We will have the IAG staff with the YELLOW jackets and PLACES from the symposium to assist in the organization. Note that the landing part is on the ground floor of the airport.
